Janet Hilliard Retires

After thirty years, I am retiring from Utah Law Related Education. I've enjoyed the associations, and thank everyone for the well-wishes. So . . . as you drive to work in the snow and are stuck on the parking lot freeway, think of me snuggled in front of the fire with a good book." Janet will be greatly missed by many—for her loyalty and commitment to law-related education, creativity, organizational skills, work ethic, and so much more.

If you would like to connect with Victoria, you may reach her via e-mail at lawrelatedvictoria@xmission.com or call her at 801.322.1850.

Utah Law Related Education sponsors the mock trial competition which is open to all secondary schools in the state. Teams of up to 11 students argue a case, once as the plaintiff/prosecution and once as the defense. Teachers interested in sponsoring a team should contact the Utah LRE office at lawrelatedvictoria@xmission.com.

Utah Mock Trials

Victoria Dyatt
Mock Trial Coordinator

We are so grateful to the hundreds of supporters who coached and judged the mock trial teams competing in the 2015 Mock Trial Program. Sixty-seven teams competed in 98 mock trials. Most of these trials, lasting 3+ hours, were judged by a panel of two attorneys and one community representative. Together, more than 3,000 hours were donated.

The 2015 High School Championship teams were West High School, first place, and Woods Cross High School, second place. Centennial Middle placed first with Wasatch Home School Debate League placing second in the Junior High School Division. West High participated in the National Mock Trial Competition in Raleigh, North Carolina in May.

"The Mock Trial Program is an amazing program, and one I am passionate about. I retired from Ventura County Office of Education in December 2013. I was the coordinator for the Ventura Mock Trial County Competition for 12.5 years. During that time, the number of participants increased, and student workshops were instituted to help teams better understand the different roles they play, and to better present their case. I worked with new Mock Trial advisors to help them understand how to build a team and to realize their role as an important member of the team.

Over the years, the rewards were many, and the support from the law community grew each year as well. Being new to the state of Utah, I'm looking forward to an exciting 2016 Mock Trial Competition and to building new relationships, so that our students and future leaders have a positive experience in learning about how our judicial system works. "

We the People... The Citizen and the Constitution

Dawn Harvey
We the People Coordinator

“I have been involved with the *We the People* program for over 20 years. I competed my senior year of high school and participated in the National Finals that year in Washington, D.C. as well. My love for the framers and for the Constitution inspired me to receive a B.A. in History and Teaching. While I was an undergraduate, I became

involved in the program by judging, timing, and facilitating at the congressional district and state levels each year. I have always loved this program, and I looked forward to the opportunity to rub shoulders with the amazing students who work so hard to prepare for the competition.

The *We the People* program was a catalyst in my life and led me to be involved in local and national politics and issues. I truly believe that the majority of the students who participate in this program are better prepared and motivated to serve their communities by being politically involved.”

Questions for the 2016 state high school competition may be downloaded from the Center for Civic Education’s website, www.civiced.org, at the end of August. Click on the *We the People* page.

The State Junior High School Competition was held February 11, 2015, at the Utah State Bar Law and Justice Center. Kayley Richards

Salt Lake Peer Court Program Director

Kayley comes to Salt Lake Peer Court with a Masters of Science in Criminal Justice from Weber State University. She also brings invaluable experiential knowledge to our program; she has served as an AmeriCorps Vista volunteer with the Utah State Prison system, has worked as a Jail Screener for Salt Lake County Pretrial Services, and most recently worked as a Probation Officer in Missouri, where she supervised juveniles on judicial and non-judicial probation.

Kayley understands the importance of restorative justice practices and empowering youth to engage in the community in positive and productive ways. If you would like to contact Kayley, you may reach her by e-mail at slpcourt@xmission.com or by phone at 801.322.1815.

Salt Lake Peer Court is a prevention/intervention program utilized by the Salt Lake City School District and Juvenile Court. Approximately 300 youth are referred to Peer Court each year. Offenses most commonly referred are truancy, fighting, tobacco, alcohol, vandalism, theft, trespassing, and disorderly conduct.

Salt Lake Peer Court is

- A three part program: 1) Court Hearings, 2) Peer Mentoring, and 3) Mediation;
- An alternative to the traditional juvenile justice system and school disciplinary proceedings using a non-adversarial approach for youth who are sentenced and mentored by their peers;
- A restorative-justice approach to hold youth accountable for their actions, to build skills, and to strengthen their ties to school and community;
- An approach which empowers youth and communities to take an active role in addressing the early stages of youth delinquency; and
- A program that eliminates social barriers and unites youth throughout the community as they collaborate to intervene with referred youth.

For more information, check out the website at <http://www.saltlakepeercourt.org>.

On August 24, 2015, a Swearing-In Ceremony was held at the Salt Lake City Public Library for the 120 Salt Lake Peer Court members. The keynote speaker was Salt Lake Justice Court Judge John Baxter, who also conducted the swearing-in ceremony.

Representative Democracy in America

Representative Democracy in America: Voices of the People is a national project created by the Alliance for Representative Democracy, an educational outreach program of the Center for Civic Education, the Center on Congress at Indiana University, and the Trust for Representative Democracy at the National Conference of State Legislatures. The project introduces citizens, and particularly young people, to the representatives, institutions, and processes that serve to realize the goal of a government of, by, and for the people.

Constitution Day

September 17 is recognized in the United States as Constitution Day and Citizenship Day. The purpose of this day is to commemorate the creation and signing of the supreme law of the land and to honor and celebrate the privileges and responsibilities of U.S. citizenship for both native-born and naturalized citizens. Federal law requires that all schools receiving federal funds hold an educational program for their students on September 17 of each year. Free lessons designed to assist schools and federal agencies to meet the requirements of this law are available for download at:
