Utah Mock Trials

Utah Law Related Education sponsors the mock trial competition which is open to all secondary schools in the state. Teams of up to 12 students argue a case, once as the plaintiff/prosecution and once as the defense. Teachers interested in sponsoring a team should contact Victoria Dyatt, mock trial coordinator, at lawrelatedvictoria@xmission.com.

We are so grateful to the hundreds of supporters who coached and judged the mock trial teams competing in the 2018 Mock Trial Program. Sixty teams competed in over 100 playoff, round of 16, quarter-final, semi-final, and championship mock trials. Most of these trials, lasting 2+ hours, were judged by a panel of two attorneys and one community representative. Together, more than 2,000 hours were donated.

The 2018 High School Championship teams were Integritas, first place, and Utah County, second place. Congratulations to Integritas for placing 9th at the National Mock Trial Competition in Reno, Nevada! In the Junior High School Division, Utah County placed first, with Lakeridge Junior High School second.

Salt Lake Peer Court

Salt Lake Peer Court provides an alternative approach to juvenile justice in which youth referred for minor offenses are sentenced by a jury of their peers. The 80 youth volunteers adjudicate approximately 250 new and carry-over cases each year. Offenses most commonly referred are fighting, disorderly conduct, theft, bullying/cyberbullying, assault, and tobacco/alcohol.

Salt Lake Peer Court is

- A three-part program: 1) Court Hearings, 2) Peer Mentoring, and 3) Mediation;
- An alternative to the traditional juvenile justice system and school disciplinary proceedings using a non-adversarial approach for youth who are sentenced and mentored by their peers;
- A restorative-justice approach to hold youth accountable for their actions, to build skills, and to strengthen their ties to school and community;
- An approach which empowers youth and communities to take an active role in addressing the early stages of youth delinquency; and
- A program that eliminates social barriers and unites youth throughout the community as they collaborate to intervene with referred youth.

For more information, check out the website at <http://www.saltlakepeercourt.org> or contact Jenny Sanchez, Salt Lake Peer Court Director, by e-mail at slpcourt@xmission.com or phone at 801.322.1815.

In August 2017, a Swearing-In Ceremony was held at the Utah State Bar Law and Justice Center for the Peer Court members. The keynote speaker was Judge Augustus Chin, who also conducted the swearing-in. The student speakers were Kyle Adams, Marian Figueroa, Natali Dilts, Jesse Gonzalez, Skye Fredericks, Jihu Lee, and Ethan Youngberg.

Representative Democracy in America

Representative Democracy in America: Voices of the People is a national project created by the Alliance for Representative Democracy, an educational outreach program of the Center for Civic Education, the Center on Congress at Indiana University, and the Trust for Representative Democracy at the National Conference of State Legislatures. The project introduces citizens, and particularly young people, to the representatives, institutions, and processes that serve to realize the goal of a government of, by, and for the people.

Federal law requires that all schools receiving federal funds hold an educational program for their students on September 17 of each year. Free lessons and opportunities designed to assist schools and federal agencies to meet the requirements of this law are available for download at:
